

THE PROBLEM

Your Cameras Record.
They Don't Help.

45+ min

searching through footage for a single incident

\$1,500+

lost to theft every month — you only catch 10%

\$20,000

average slip-and-fall lawsuit cost

Hundreds of Hours

of footage overwritten before you even look

There's a smarter way.

WHAT OWNERS ARE SAYING

"I used to spend an hour looking for one incident. Now, I just ask."

— Grocery Store Owner, Boston

"The Bangla voice feature made it so easy for my staff."

— Convenience Store, Cambridge

"Paid for itself in the first month from catching theft."

— Retail Shop Owner, Somerville

Shobdo, LLC

HOW IT WORKS

Simple Setup. Powerful Results.

01

Connect

Works with your existing camera setup. No new hardware to buy or install.

02

AI Watches

Our AI understands what happens in your store 24/7 — people, products, activity.

03

Just Ask

Ask by voice or text, in English or Bangla. Get instant answers with video clips.

EXAMPLE VOICE COMMANDS

"Show me everyone who entered after 10pm last night"

বাংলায়: "গতকাল রাত ১০টার পর কে দোকানে এসেছিলো?"

CAPABILITIES

Everything You Need to Know.

Instant Video Search

Find any moment in seconds. No scrubbing through hours of footage.

Voice Commands

Speak naturally in English or Bangla. Like talking to a security guard.

Theft & Activity Alerts

Real-time notifications for suspicious behavior.

Customer Insights

Foot traffic patterns, peak hours, popular aisles.

Liability Protection

Instantly retrieve footage for insurance claims and disputes.

24/7 AI Monitoring

Always watching, always understanding. Never misses a moment.
